

The BEST Traveling Coupon Book that offers Profits for a Purpose

5 Steps to Fundraising Success

1

Login to Participant Dashboard

Training aids include:
Sales Training Video - Printable Leave Behind
Sales Tips - Video Learning

videos refer to the app from our parent company, iBuddy Club, but works exactly the same

3

Share from within the app

Once you, your friends and family have purchased the app, they can "Refer a Friend" or "Gift a Friend" from the app side bar.

Your personal fundraising code stays embedded so those app purchases are applied to your goals!

5

How to Purchase the App

1. Open Side Bar, Tap JOIN HERE, Enter fundraising code or search for code
2. Tap PURCHASE APP, Register Email, then "extra donation" (give generously as you will save \$100s!!)
3. Payment screen, enter credit card.

2

Sharing from your Dashboard

Click on "Share App" located in the upper right of your Participant Dashboard screen.

Share via Email, Text Message, Facebook, Twitter and LinkedIn

- Editable pre-written letter with your information and fundraiser code
- Send 'action photo' or video of you
If you haven't yet uploaded a picture, just go to your Participant portal settings tab (left of Share App feature tab)
- Ask parents for emails and phone numbers so you can save friends and family CASH!

4

Print the Leave Behind Letter

- In your Participant Portal Training Center, type in your personal code on the letter
- Have your parents approve you to PRINT to pass out to neighbors, colleagues at work
- Make note of committed buyers so if you don't see them in your participant dashboard you can follow up to remind them to buy and save!
